Conference with Mr. Reardon and Mr. Sheehy:

The City appropriates for the Children's Library and buying books.

Mr. Sheehy thinks the City appropriated \$11,000 last year for the Library.

Mr. Sheehy's suggestion is for example: if they desire to give \$5000 out of the fund to be used for repairs, rubber tiles, etc., and keep the other \$5000 or more under the name of the Peabody Community House Inc. so as to keep it on deposit and draw interest and give the interest to the Library, so as to keep the corporation in existence, it would be a good idea.

Mr. Reardon thought the whole thing should be cleared up once and for all as in a few years there would not be a quorum of the members left. There is also the question of the sale of the lot of land on Pierpont St.,
